LOG '62

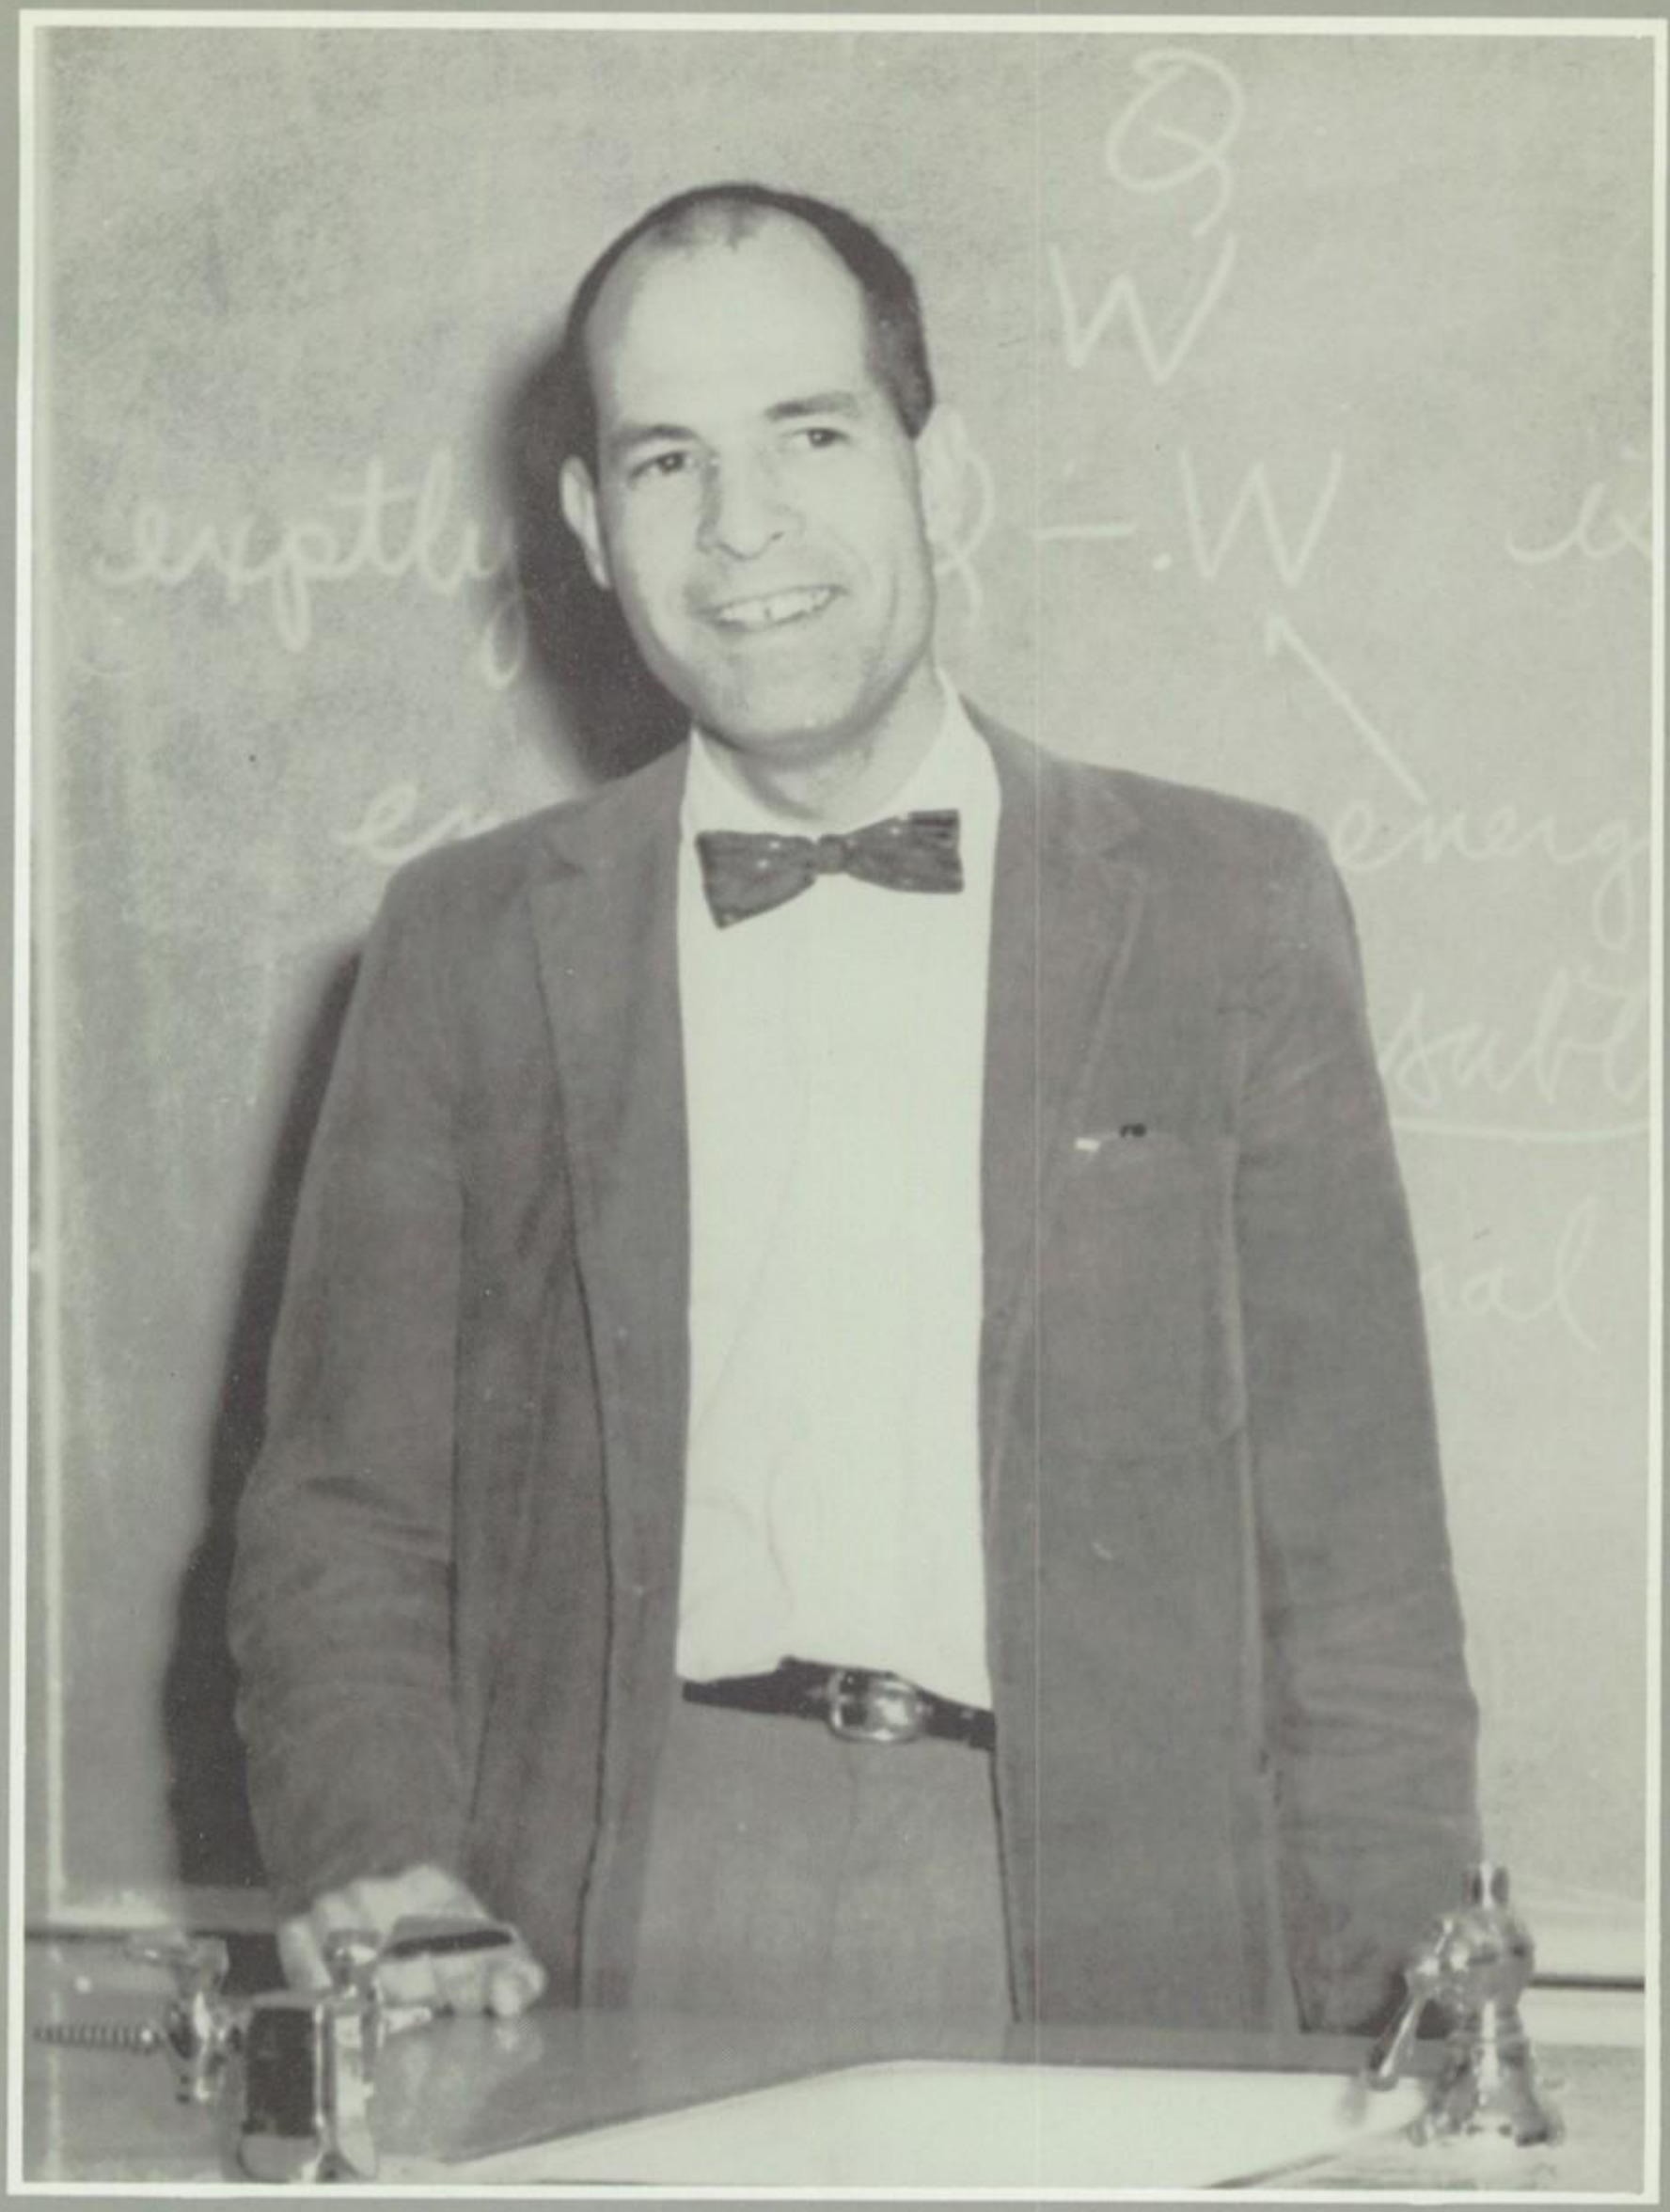
FOREWORD

In this 1962 LOG we tried to present a picture as seen by a visitor. The visitor, Mr. P. S., is a renowned contributor to a popular magazine and may be a familiar figure to the readers of that magazine.



We dedicate the **Log** of 1962 to Mr. F. A. DiazGranados. We wish to thank him for his guidance, inspiration, and help.

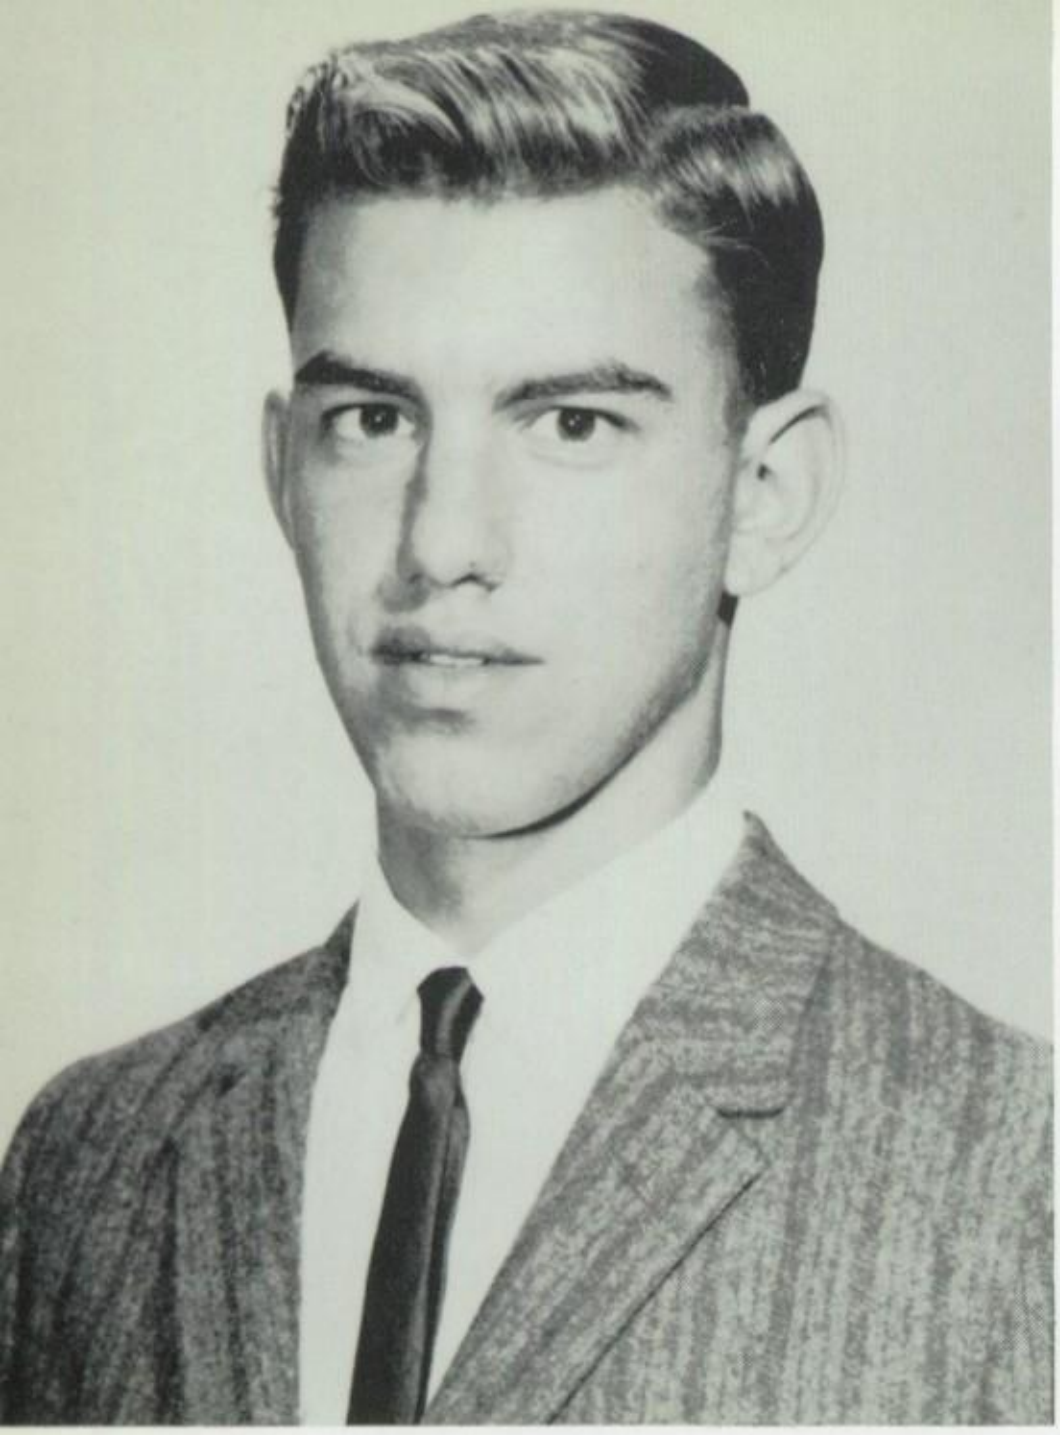
SSES



David W. Shapiro

"Any of you guys thinking of going to Slipperyrock U.?"

Dave, senior class president, sports editor of the **Log**, and former member of the **Highlander** staff, has been stomping about Flintridge for the past four years. He has lettered in baseball and tennis and has played football and basketball. Dave would like to be a lawyer and attend Pomona or Occidental.

Victor S. White

"Gee, fellas, I can't think of anything."

Vic is the vice president of the letterman's club this year and also of the senior class. In his three years at Prep he has been extremely active in swimming and football, and he hopes to attend the University of Oregon. He enjoys skiing and hiking and will be remembered by all for his eloquent diction.

James Wegge

"An obese canine is nothing but a fat dog."

In his many years at Flintridge Jim has earned CSF and **Cum Laude** and has been class secretary in his freshman and senior years. He has attained athletic distinction in his four years of varsity baseball, three years of varsity football and two years of varsity basketball. Well known for his tanker jacket and shades, Jim enjoys surfing, skiing and parties and plans to take a business course at Cal Berkeley.

M. Allen Adwon

"You can fool all the people all the time."

We will all remember "Abe," whose chief distinction was that of being elected in 1860 and 1864. In his two years at Flintridge, Allen has become a distinctive part of his class. In his spare time "Abe" manages to split rails and collect stamps on which his picture appears. His ambition is to be an architect, and he has been on the **Log** staff.

James P. Bartoli

"DUX FEMINA FACTI." Virgil, THE AENEID.
"There's a woman in the case."

Jim has earned CSF and **Cum Laude** in his many years at Flintridge. This year's basketball manager, his hobbies include road racing, skin diving, and going steady. He has worked as a hospital orderly and hopes to be a psychiatrist after attending U.C.L.A. Jim was a member of the **Highlander** and **Log** staffs.

James J. Brooks

"I remember the day I designed the first internal combustion engine . . ."

"Diamond Jim", our commissioner of chrome, is a lifetime member of **Cum Laude** and plans to take up industrial designing at Stanford. He is the copy editor of the **Log** and has also worked on the **Highlander** staff. Jim has built several antique cars, but his favorite pastimes are eatin', sleepin', cruisin', and lovin'.

Robert L. Bunker

"Never give up the ship."

"Booby" has been here three years and considers his greatest honor being able to go to Flintridge. He has also been honored by being the recipient of the Bausch & Lomb Honorary Science Award. His ambition is undecided, but he hopes to go to Caltech. He has been a football manager and has served on the **Highlander** and **Log** staffs. Bob's spare time activities include amateur radio, hiking and camping. He is also an Eagle Scout.

Steven B. Colwell

"Wegge, don't throw that."

"Lil Bundy" is our class representative in faculty relations and hopes to extend his many skills in a law course at U.S.C. One of our surfers, Steve has had **Cum Laude** and played football in his Junior year.

Rodger K. Coombs

"Are we gonna win?"

This world famous commissioner of athletics has played in all the sports here at Prep. "Tarzan" has had **Cum Laude** four semesters, been a member of the **Highlander** and **Log** staffs, and plans on the University of California at Berkeley. He hopes to major in business administration, and his hobbies include weight lifting and the "Dork."

Dennis P. Dewenter

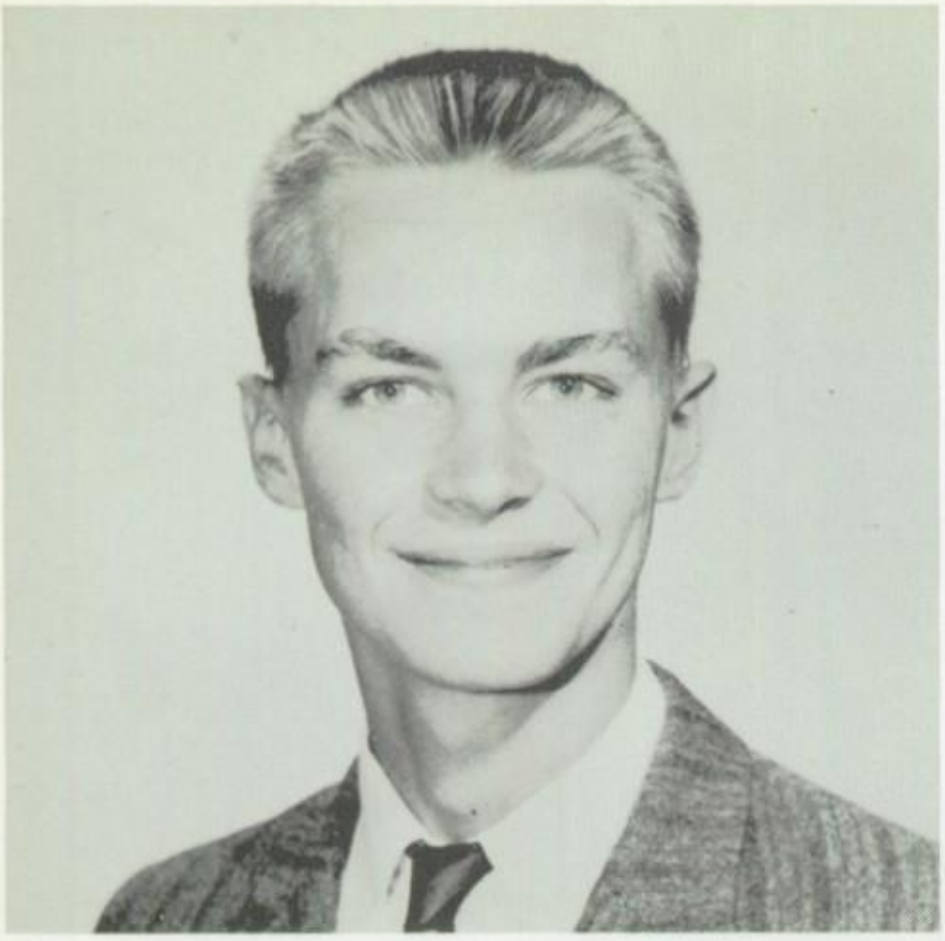
"Variety is the spice of life."

"Denny" has been this year's commissioner of publications, editor of the **Log** and last year was the editor of the **Highlander.** Completing eight years at Prep, he has lettered two years in B football and has been a member of the glorious tennis team. He hopes to attend Colgate University, where he will major in chemical engineering. He is interested in collecting Americana.

Dean W. Dorn

"Common sense is that which tells you the world is flat." — Stuart Chase

Dean "Ed Iskenderian" Dorn in his five years at Flintridge has gained the reputation of being the greatest "Beaner" in the land. He plans to attend S.C., Pomona, or Stanford where he will major in business administration. Dean has lettered in varsity football, and in his spare time he polishes dummy spotlights as captain of the unicycle team. A member of the **Highlander** and **Log staffs,** he has earned **Cum Laude** five times.



C. Michael Elliott

"Afoot and light-hearted I take the open road, healthy, free the world before me. The long brown path before me leading wherever I choose."

"Meke-Meke" has a very definite aim—to be a successful businessman. His hobby of buying and selling stocks should start him on the right track. Mike hopes to go to Colorado, Redlands, or Santa Barbara, and he enjoys dating in his spare time. He was a member of the **Highlander** staff and is business manager of the **Log.**

Roger B. Fosdick

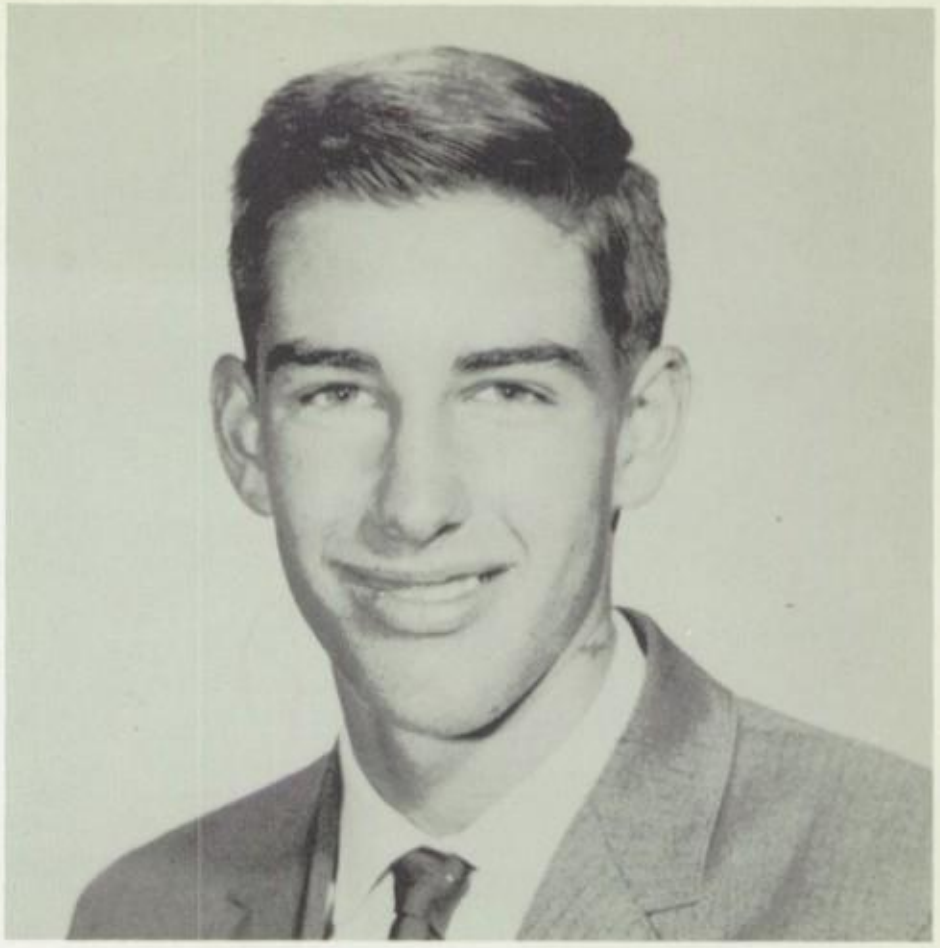
"If at first you don't succeed, try, try, again, then quit. Don't make a fool of yourself."

Rodg' is the newest member of the senior class since he returned to his old stamping grounds this year. He is not to be confused with a character called "Fearless Fosdick". Rodg' is a member of the **Log** staff. He enjoys a wide variety of sports including baseball, swimming, water skiing and camping. He is considering engineering or psychiatry as a profession and hopes to attend either Pomona, Claremont Men's College or Redlands.

Thomas A. Gray

"Have faith! That is the spirit which lies at the root of all existence."

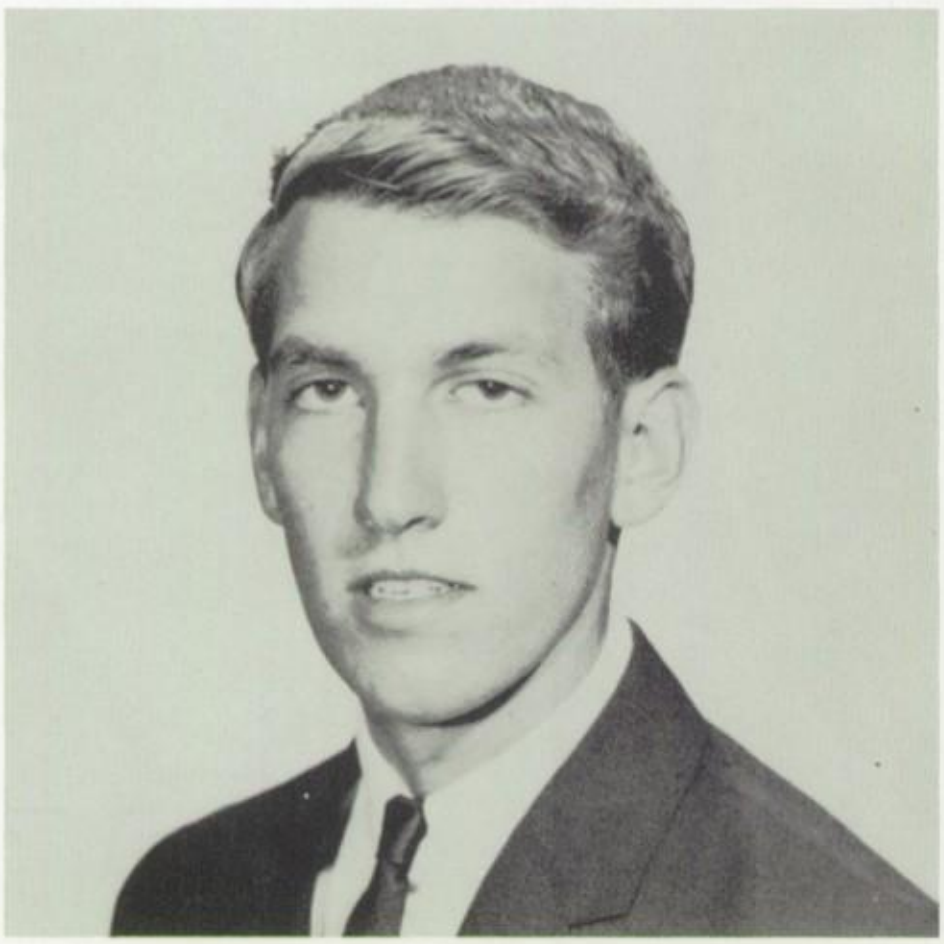
In his six years at Flintridge, Tom has been commissioner of academics, Junior class president, and sophomore vice president. He has had an impressive record in athletics and lettered in basketball, football, swimming, and baseball. Tom was the captain of this year's football team and president of the letterman's club. He hopes to go to Stanford and to be a tax attorney or a beach-comber if Stanford has a course in it. He enjoys surfing, girls, and parties. He was a member of the **Highlander** staff.



William M. Hannan Jr.

"It's not how you play the game, but whether you win or lose."

Bill has been here for three years and during that time has become a colorful part of his class. He has lettered in swimming and is interested in golf and fishing. Bill's hobbies include music and the piano, and he hopes to study Oceanography at Washington.



Richard I. Hehr

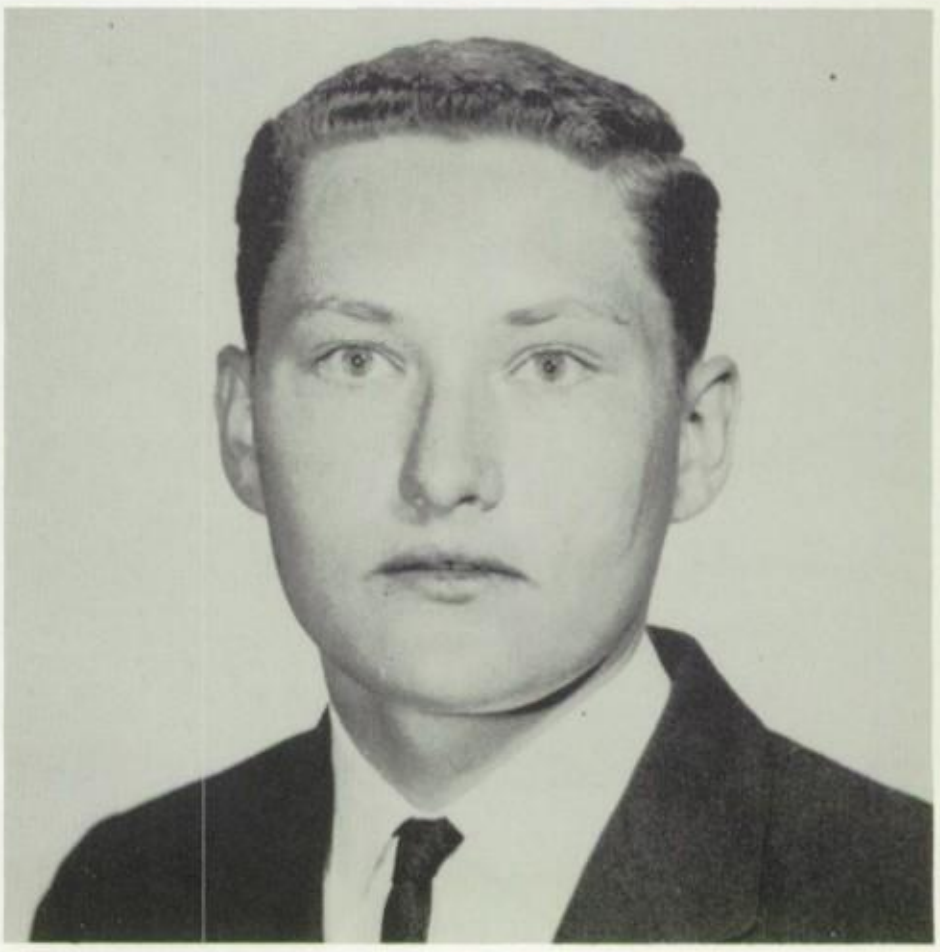
"I know from experience; don't go to Service Chevrolet."

This year's Commissioner General, last year's Commissioner of Finance, and sophomore class president, Rich has had an impressive record at Flintridge. He has earned **Cum Laude** and CSF played B football, basketball, baseball and lettered in A football. His spare time activities includes water skiing, cars, and girls (Priscilla that is). He would like to attend the University of California and then go into a profitable business. Rich was a member of the **Highlander** and **Log** staffs.

Robert M. Immler

"Beware of Russians bearing gifts."

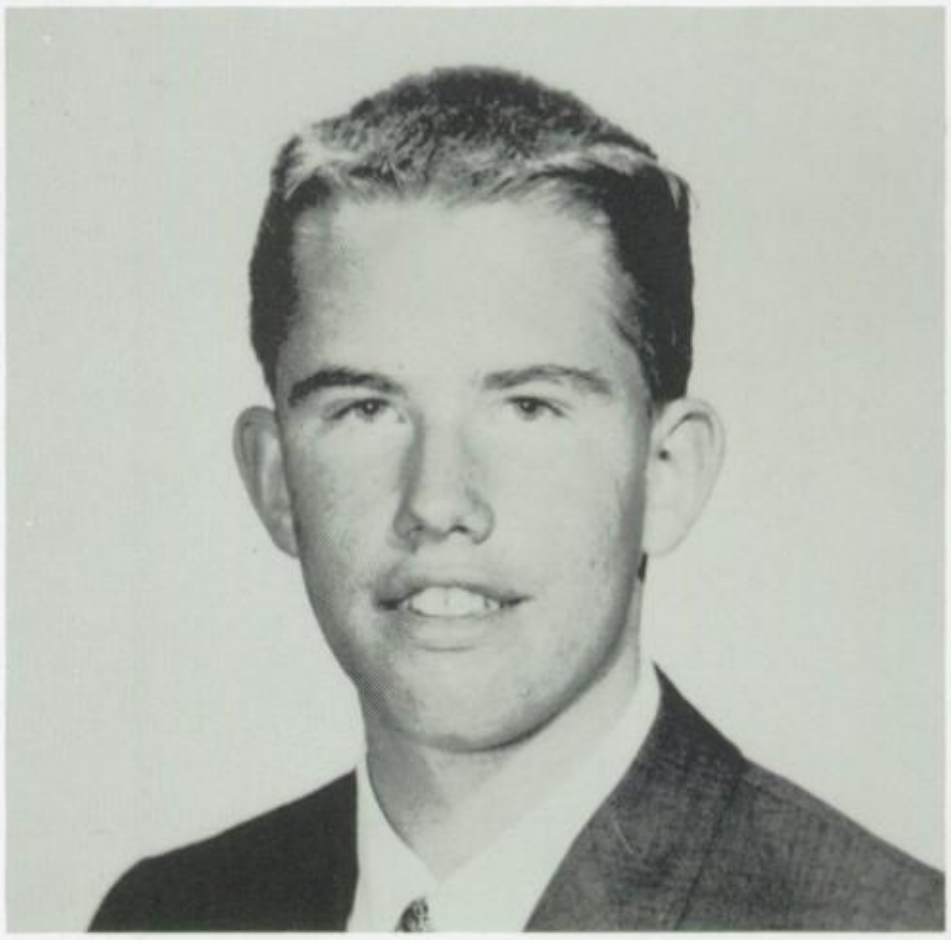
Bob has been at Flintridge for seven years, a feat which is in itself a distinction. He has done photography for the **Log** and **Highlander**, and his '61 Pontiac has earned him the name "Big Chief." He is president of the Flintridge chapter of the Soupy Sales Fan Club, hopes to go to Occidental, and plans to be a dentist.



Larry Johnson

"Never invest in anything that eats or has to be painted."

The "outcast" of the senior class, Larry lists his greatest achievement as having passed English I, English II, and Chemistry. He has been official dunce for his four years at Flintridge and has been on the swimming team. Larry is interested in the guitar and piano, would like to go to Colorado College, and plans to be a professional writer. He was a member of the **Highlander** and **Log** staffs.



Scott M. Keeney

"In simple words it's plain to see,
There's none so mechanical as Mr. D."

We will all remember "stilts" and his Model A. "The God of Slowness" has been a member of the swimming team, on the **Highlander** and **Log** staffs, and has been a consistent holder of second place in lunch line. He likes snow and water skiing and collects femlins. Scott hopes to go to the University of California and to be an engineer.

Robert G. Keim

"SED NON CULPA MEA EST." (But it is not my fault—Ovid, METAMORPHOSES)

As the Univac of the senior class, "zat" is known throughout the school as a student with slightly superior perception. He has been an honor student, essay contest winner, and a finalist in the National Merit Scholarship Contest. Among his achievements are CSF, **Cum Laude,** the faculty award in Latin, the Rensselaer award, and then Harvard book award. Bob has also been the assistant editor of the **Log** and associate editor of the **Highlander.** He seeks wealth, fame, and happiness, and wants to go to Occidental or Pomona. His spare time activities include philosophy and the writing of esoteric poetry.

James P. Modisette

"Smile!"

Jim is well deserved of his nickname, "crackerbarrel," and his remarks of advice are well known to all students at Prep. He has been **Cum Laude** and a member of the defensive squad of the football team. Jim hopes to attend Dartmouth and to be an executive. Also a member of the illustrious tennis team, he enjoys skiing (snow and water), hunting and love life advising, as well as dating and reading. He was a member of the **Log** and **Highlander** staffs.

Steven Neptune

"Mira."

Steve is an important part of the offensive strength of our football team. He is also an excellent swimmer and has received his letter in that sport. Steve was Junior class vice-president last year and is well liked by everybody. He has his sights set on the University of Oregon and wants to be an engineer. Steve enjoys skiing and surfing whenever he can find time.

Neal S. Oberg

"Please dear Lord, make my words sweet and tender. Tomorrow I may have to eat them."

After six years at Flintridge, Neal is almost a permanent fixture, and things will not be the same without him next year. Neal is a key member of the ferocious defensive unit of our football team, and he also plays baseball. He has his sights set on Stanford and wants to be an engineer. In his spare time Neal enjoys surfing. He was on the **Highlander** staff.

E. Norman Scott

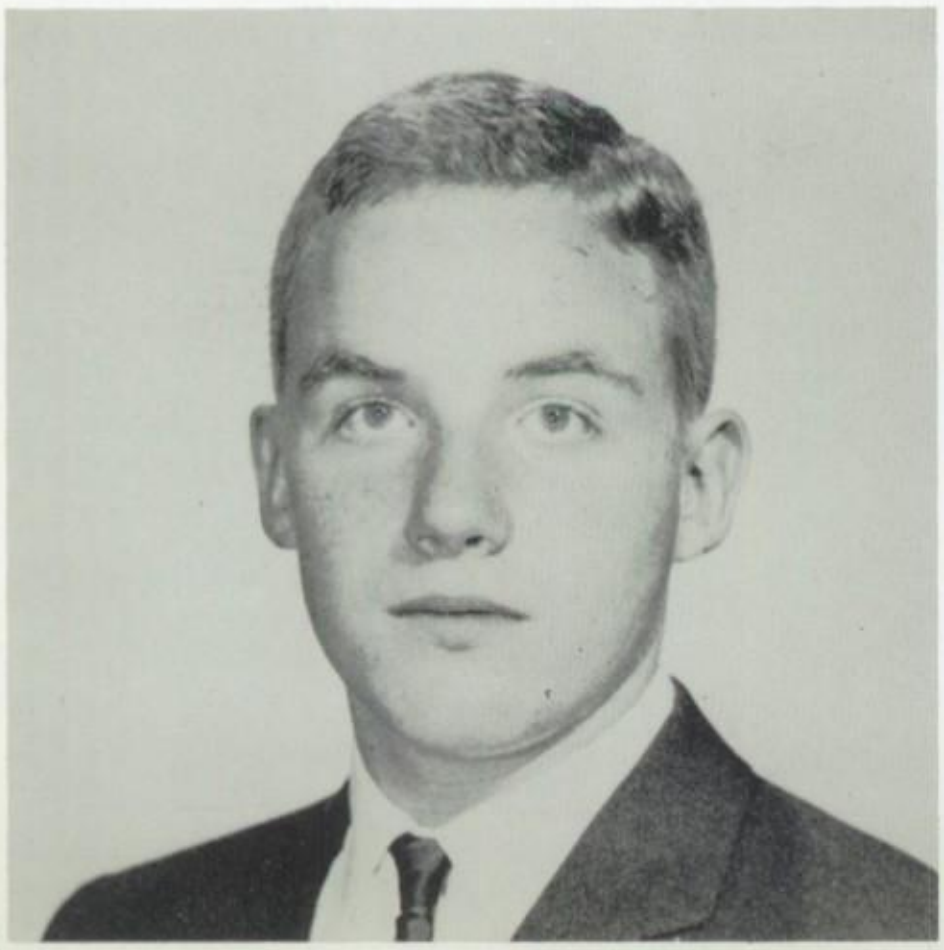
"Work is the curse of the drinking class."

When a student looks at Norm, he is impressed by one thing—his size. Even though Norm towers menacingly over almost everybody else, he is usually quite harmless and is well liked by his fellow students. Norm is a baseball pitcher and hopes to attend Occidental. Norm's spare time activities include fishing, shooting, and carpentry.

Mark L. Tennison

"I hate Keim's A's."

"Alf" jokingly claims he has been the lowest in the class for five years; actually, however, it has been only four years. He plans to go to Grinnell or Hamline and study to be an electrical engineer. Famous for his love of black '51 Cads, Mark enjoys playing chess and doing physics projects.



Mark Van Deusen

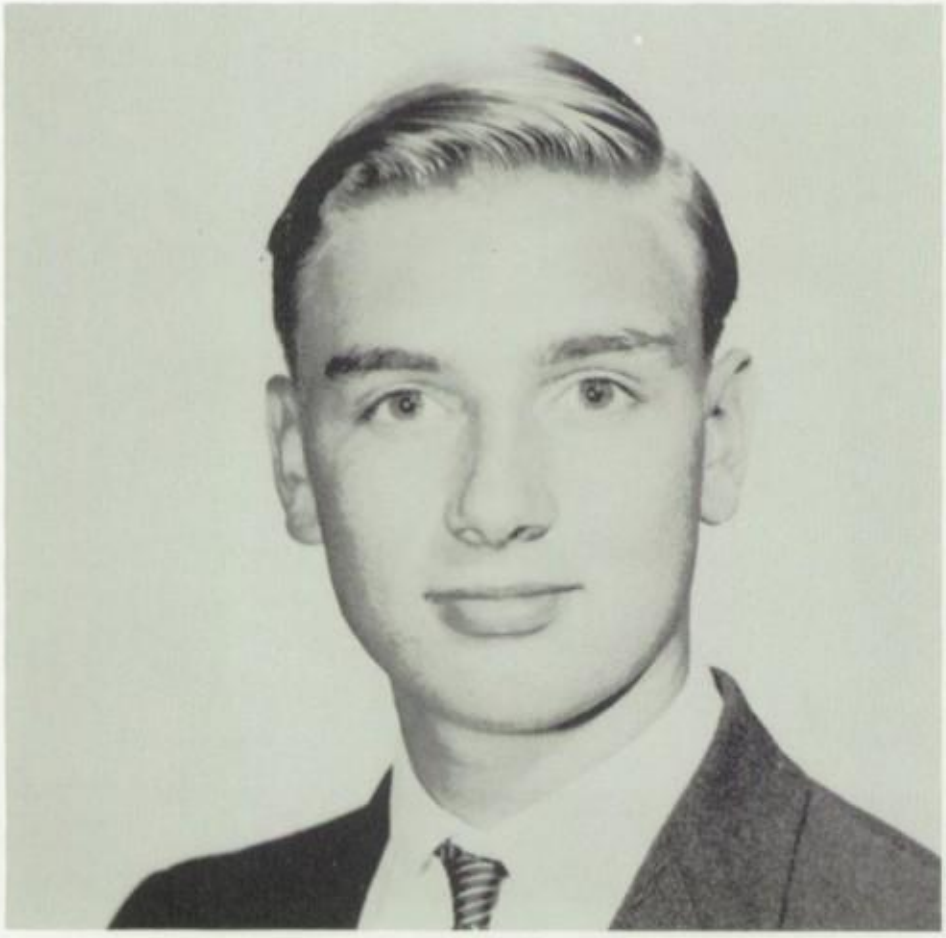
"To err' is human; I am human."

Well known for his announcing of sports events, work with the projectors, and other activities around the school, "V.D." is a distinctive part of Flintridge. He hopes to attend Duke or Northwestern, and his ambition is low—actually it's law. His hobby is hi-fi, and among his many spare time activities are making the beach scene and counting money embezzled from the snack bar.

P. King Verleger

"But Mr. DiazGranados . . . ."

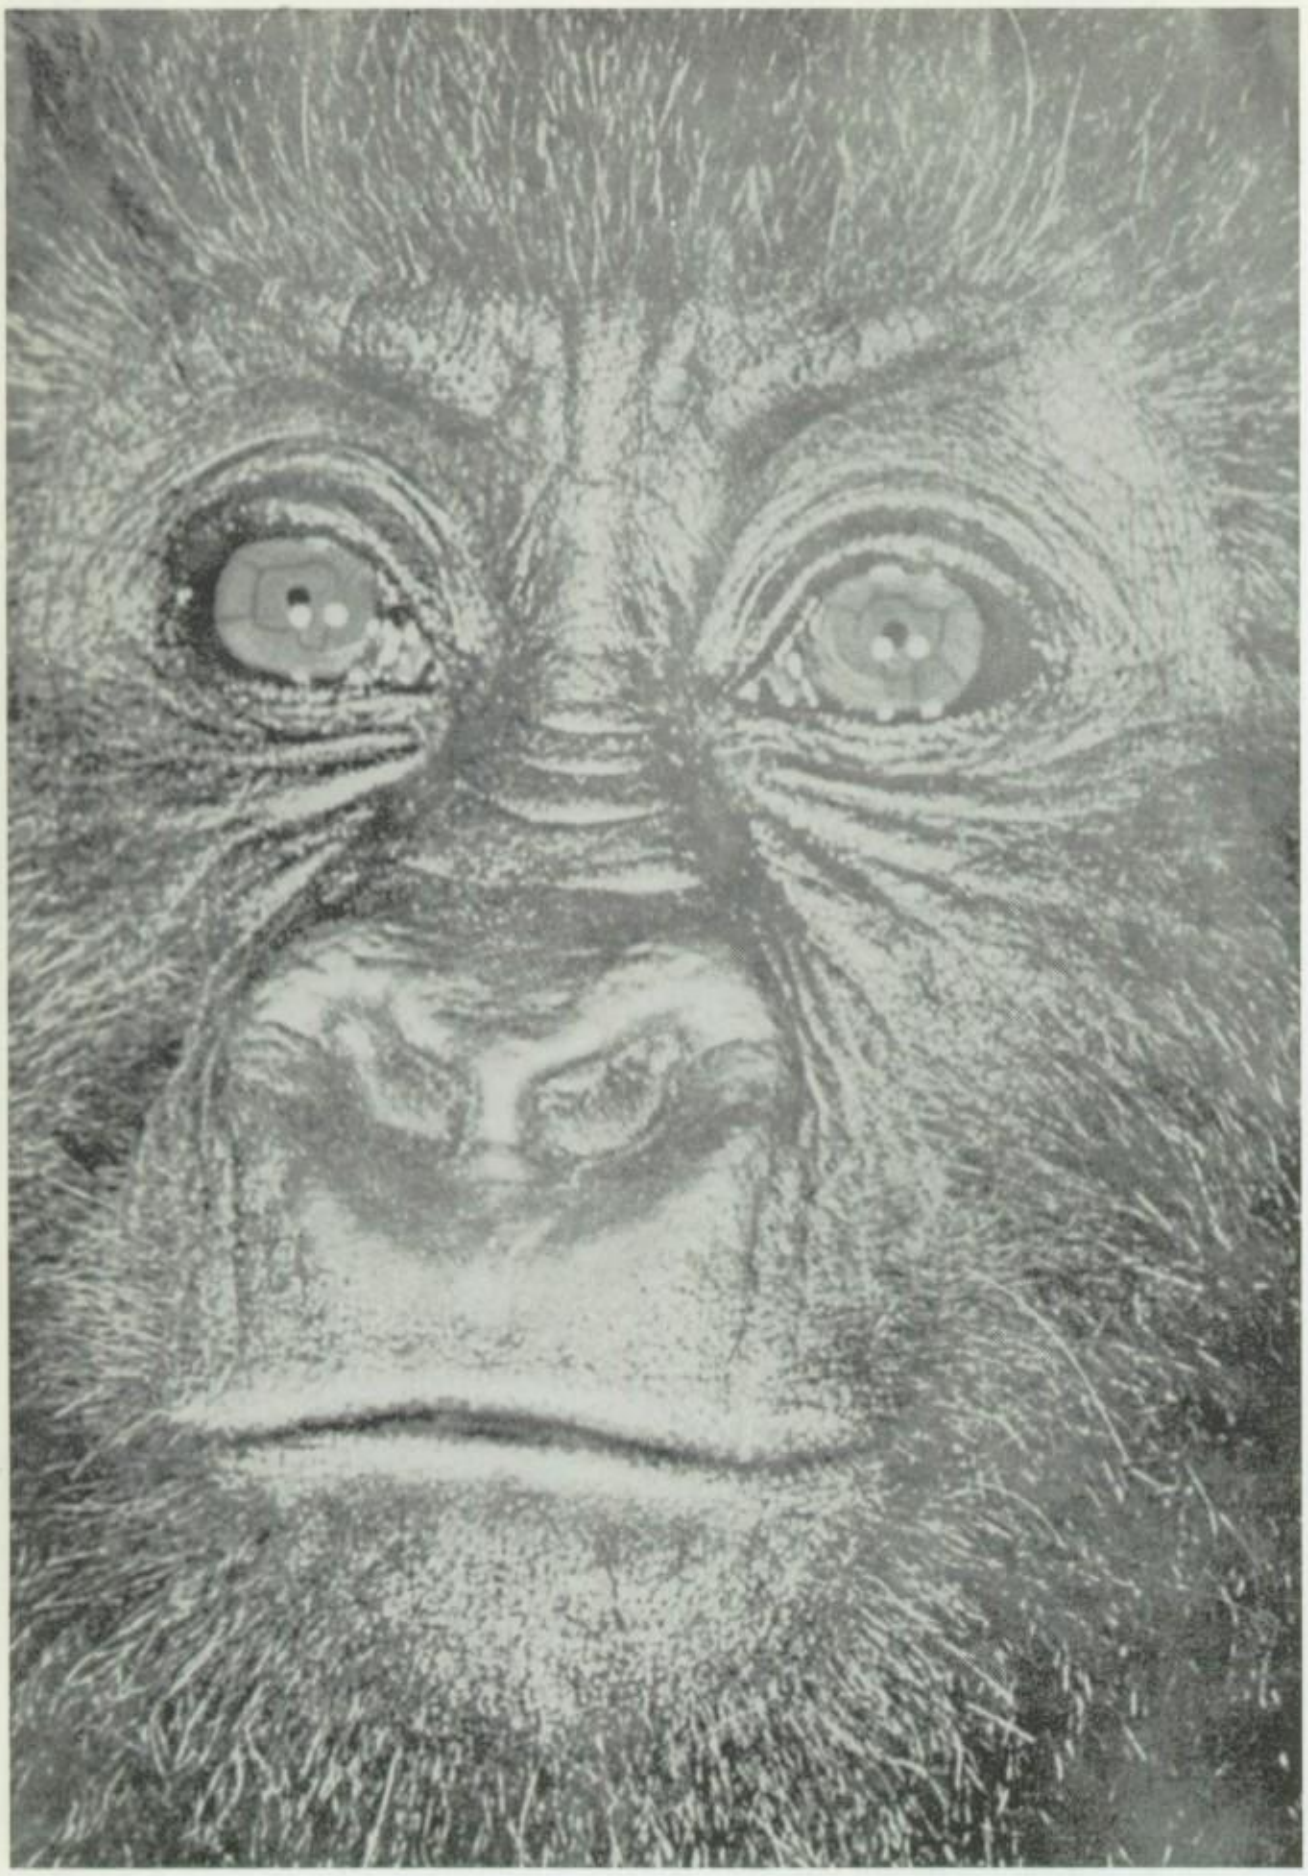
King has played tennis and basketball here at Prep and plans to go into Nuclear Physics at M.I.T. He enjoys electronics and jazz. He has also been on the **Log** and **Highlander** staffs.



Timothy R. Webster

"Who, me, coach?"

"Webfoot" has been coming to Flintridge for three years; and, although earning no scholastic honors or letters, he hopes to go to Caltech and be an astrophysicist. His hobby is astronomy, and his spare time activities are swimming, hunting and shooting.



"Wegge, give me back my bananas . . ."

"Let us harmonize."

"It's no use, King."

"Dorn in for Keim."

They goofed again

"Surfer's 69."

It has been Denny Dewenter's hapless task as Commissioner of Publications to put out the **Log.** Much of his time and the time of the staff members was spent in the organization and preparation of the **Log.** We sincerely hope it is a credit to us, to Mr. Noia, the **Log's** advisor, and to you the students of Flintridge.

BACK ROW, L to R: Horst, Blair, Taylor, Payne, Rhodes. FRONT ROW: Smooke, Sewall, Rogers.

HIGHLANDER

The new **Highlander** this year was edited by Gilbert Sewall with Mike Smooke as assistant. It featured new editorial devices and conscientious reporting. Following the pattern of last year's **Highlander,** it was highlighted by a wide variety of articles and good cross section of school opinions. Next year's **Highlander** has a good example to follow.

VARSITY FOOTBALL

Varsity football took on a new look at Flintridge this year. Led by Senior Tom Gray and Junior Mike O'Reilly, one of the most inexperienced teams, in recent years, still managed to compile a record of five wins and one loss, a record which was good enough to earn Prep second place in the Prep League. The offense was led by Sophomore quarterback Steve Manildi, Mike Gunn, and Tom Gray, who spent part of the season on the sidelines with an injury. Mike O'Reilly led in both pass receptions and scoring for the season. Ends Steve Neptune and Victor White, both seniors, stood out well in the receiving department. The defense was led by two seniors, Rodger Coombs, and Jim Wegge, and a junior, Richard Kersten. As the season progressed Kersten came into his own as probably one of the best defensive centers that Flintridge has ever had. All signs point to an even better season for the team next year. The **Log** congratulates Coach Wood, Coach Bradbury, and the team for a great season and wishes them all luck next year.

FLINTRIDGE 53 - LONG BEACH 6

The opening game of the season dispelled any worries that the coaches, players, or fans might have about the team's ability to perform successfully. Steve Manildi passed for six touchdowns and ran for one other. Mike O'Reilly was on the receiving end of three of Steve's T.D. passes and scored again on a run from the Brethren thirteen. The defense was outstanding in holding the larger Brethren team to a total rushing yardage of twenty-one yards. Brethren was, however, able to keep the game alive for three and one half quarters.

FLINTRIDGE 52 - PASADENA 7

The mighty Highlander team took only three minutes of the second half to shut out the undermanned and inexperienced Pasadena varsity. Pasadena was able to gain only seventy-four yards through the air and thirty-six yards on the ground against the strong Flintridge defense. The leader of the defense, Dick Kersten, was good enough to score twelve of the Flintridge points himself. Mike O'Reilly was the leading scorer of the game with three touchdowns.

FLINTRIDGE 54 - L.A. PACIFIC 33

Flintridge got its first real test as a football team against the L.A. Pacific team. Led by the powerful running of a two hundred pound halfback, the Pacific team kept the Flintridge defense working hard throughout the whole game. Mike O'Reilly again led all scorers with eighteen points. O'Reilly scored all of them on passes from Manildi, who was a close second in the scoring with sixteen points. This was the first chance the team had to show what it could do under pressure.

FLINTRIDGE 73 - CULTER 21

Steve Manildi scored twenty-two points in what has been termed "the wildest contest prep was to see all year." The game opened with Mike Gunn returning the kickoff for sixty-seven yards and six points. But that was only the beginning. Later Gunn returned another kickoff for fifty-seven yards. Manildi scored ten points on kicks after touchdowns and ran for twenty-four points on reverses. Wegge was the outstanding defensive player of the game with thirteen tackles.

FLINTRIDGE 26 - CHADWICK 72

Any hopes that Flintridge would have an undefeated season were quickly put down by a strong Chadwick team. The brilliant running of two senior halfbacks and the great blocking of the whole team earned the Mariners twenty points in each of the first three quarters and twelve in the fourth to shut out the hard-fighting Highlanders. Mike Gunn led all scorers with twelve points. The Flintridge defense was just not big enough or strong enough to stop the Chadwick offense, which scored every time it had possession of the ball.

FLINTRIDGE 70 - BLACK-FOXE 24

The Flintridge Varsity finished off the season with a hard-fought but easily-won decision over Black-Foxe. Steve Manildi was top scorer with twenty, followed closely by O'Reilly with eighteen. The game was marked by several long drives but no long T.D. runs, O'Reilly having run for fifty-three yards on one play and forty-three on another. In a sense this game was a victory for the team even if it was one game too late.

BACK ROW: Stutz, Bassett, Pennala, McEntyre, Lundahl. FRONT ROW: Beardsley, Dixon, Navas, Lewis, Eskelson, Crosley.

"B" FOOTBALL

Led by the great passing of Eric Pennala and the running of Allen Basset, the "B" football team ended the season with a record of four wins and one loss. The team opened the season with a decisive third quarter win over Long Beach Brethren. After a two week layoff the team showed its full potential against Los Angeles Pacific by taking only one play in the second half to defeat the outclassed Pacific team. In its third game of the season, the team took only two minutes of the second quarter to defeat a much smaller Culter team. The team met its match, however, in a very strong Chadwick team. Our team fought well, but Chadwick finally won. The team closed out the season with an easy and decisive win over Black-Foxe. Defensive standouts for the "B" were John McEntyre and Don Barnett. The **Log** congratulates the "B" team for a great season.

FRONT ROW, L to R: O'Reilly, Wegge, Shapiro, Wood, Rhodes, Coombs, Manildi. BACK ROW: Neptune, Gunn, Gray, Keeney, Taylor, Verleger, Jobe, Coach Wood.

"A" BASKETBALL

This year the basketball team finished the season with a ten win, five loss record. Coach Wood served as varsity basketball coach this year while Coach Bradbury coached the "B's." Paced by Rodger Coombs, Tom Gray, and Mike O'Reilly, Flintridge opened the season with wins over Upland, 51 to 42; Pasadena Poly, 56 to 34; and Chaminade, 66 to 20. The team won the two opening league games with Long Beach and Pasadena by 49 to 40 and 62 to 44, respectively. The streak was then broken by losses to L.A. Pacific, 56 to 57, and Chadwick, 51 to 70. The team won over Culter by 66 to 52 but was defeated by Black-Foxe by 44 to 63. The second time the team played these teams it beat Long Beach, Pasadena, L.A. Pacific, and Culter, consecutively. Chadwick broke the chain with an overtime defeat of 46 to 48, and the team ended the season with a loss to Black-Foxe. The team deserves much credit for its third place finish and ability to continue its great performance with a reduced squad. The **Log** congratulates them for a good season and wishes them luck next year.

FRONT ROW, L to R: Plumb, Horst, Levin, Lewis, Lundahl. BACK ROW: J. McEntyre, Hastings, Stutz, Bassett, De Groot, Coach Bradbury.

"B" BASKETBALL

For the third straight season the "B" basketball team was undefeated in league play. In three years the team has won forty-five games and lost but one. Sophomore Lew Hastings was the outstanding player with an average of 11.9 points per game. Rounding out the starting five were Ken Stutz, Dale Lewis, John McEntyre, and Jack Guernsey. With the skilled coaching of Mr. Bradbury, the team managed to defeat Upland, 65 to 41; Pasadena Poly, 69 to 42; and Chaminade, 83 to 10. In league play the team won over Long Beach, 47 to 35; Pasadena, 61 to 31; L.A. Pacific, 61 to 18; Chadwick, 57 to 28; and Culter, 71 to 16. The final game of the first round was a defeat for Blacke-Foxe, 69 to 31, at the hands of the mighty Flintridge team. The second round was characterized by the same close scores of the first. The team chalked up wins over Long Beach, 50 to 27; Pasadena, 87 to 49; L.A. Pacific, 41 to 24; Culter, 72 to 31; Chadwick, 68 to 37; and Black-Foxe, 60 to 34. Second stringers Mike Horst, Alan Basset, James Muir, Jeff Lundahl, and John DeGroot deserve mention for their great work in helping the team win the league championship. The **Log** congratulates the team for its great season.

BASEBALL

With a little bit of luck, good defensive work, good pitching, and good hitting, the Baseball team will make it to the C.I.F. playoffs. The team exhibited none of these attributes in their first game with San Gabriel Mission, which they lost by the atrocious score of eighteen to one. The game was out of reach from the start with Mission scoring eleven runs on four errors, three hit batsmen, several walks, and a grand slam home run. The Highlanders have many good players, with Eric Pennala behind the plate, Dick Kersten at first, Dave Shapiro at second, Mike Gunn at short and Jim Wegge at third forming the nucleus of a great team. The outfield has only two regulars, Tom Gray and Jeff Halverson. As the league season draws near, Coach Tom Bradbury has high expectations for this year's Highlander squad. As an incentive to those already on the team, he has picked a squad of six extras to replace anyone who for some reason does not show enough ability to remain on the squad. Those on the team that have not already been mentioned include Norm Scott, Bob Wood, Rich Hehr, Alan Jobe, Barry Slocum, Alan Gould, Steve Manildi, and Roger Baumgarten. Those on the reserve squad are Bill Canepa, Lou Levin, Mike O'Reilly, Neal Oberg, and Jim Navas. The **Log** wishes the team a great season this year and in years to come.

SWIMMING

This year's swimming team is a well rounded group with representatives from each class. Under the direction of Coach Wood, they have their hopes high for some important victories. Vic White, James Dunn, Steve Neptune, Tom Gray, John Frantz, and Dusty Rhodes make the short distance freestyle races seem even shorter. In the 200 and 400 yard freestyle the top competitors are the McEntyres, John and Tom, Steve Fritzen and Roger Fosdick. Backstroke is handled by Frantz and Bill Hannan. Dixon is the team's top butterfly man. Gray and Bob Nathason are the leading breast strokers. Tom McEntyre and Pepper Jelin compete in the difficult individual medley. The relay team, comprised of Dunn, Gray, Frantz, and White set a new school record in the team's first meet against Harvard School. This achievement, along with hard work, makes the swimming team optimistic in viewing the future.

TENNIS

For the first time in several years the tennis fortunes of Flintridge appear to be very good. The team is centered around the six returning lettermen: Verleger, Modisette, Slocum, Paine, Rhodes, and Hastings, who formed the strong part of last year's team which won two and lost four matches. Two Freshmen, Stutz and Murdy, and a Sophomore, Lindsey, are on the team for the first time. All in all it looks like Coach Shampine will have an enjoyable season with one of Prep's best teams.

L to R: Jelin, Wheeler, Moore, Oberg, Manildi, Wegge.

GOLF

Under the very able coaching of Mr. Phillip Acosta, the golf team seems to be headed for another fine season. Although the team has lost its first three matches, it is steadily improving and with a little luck they will do better than break even.

The team is composed of Steve Manildi, Jim Wegge, Wells Wheeler, Matt Moore, Neal Oberg, and Hepper Jelin. Manildi is the team's number one man. Most of the team will return next year, making the future for golf at Flintridge appear very good. The season will be capped off with the annual Father and Son golf tournament at Brookside Golf Course near the end of the month of May. The **Log** wishes the team luck for the rest of this season and in seasons to come.

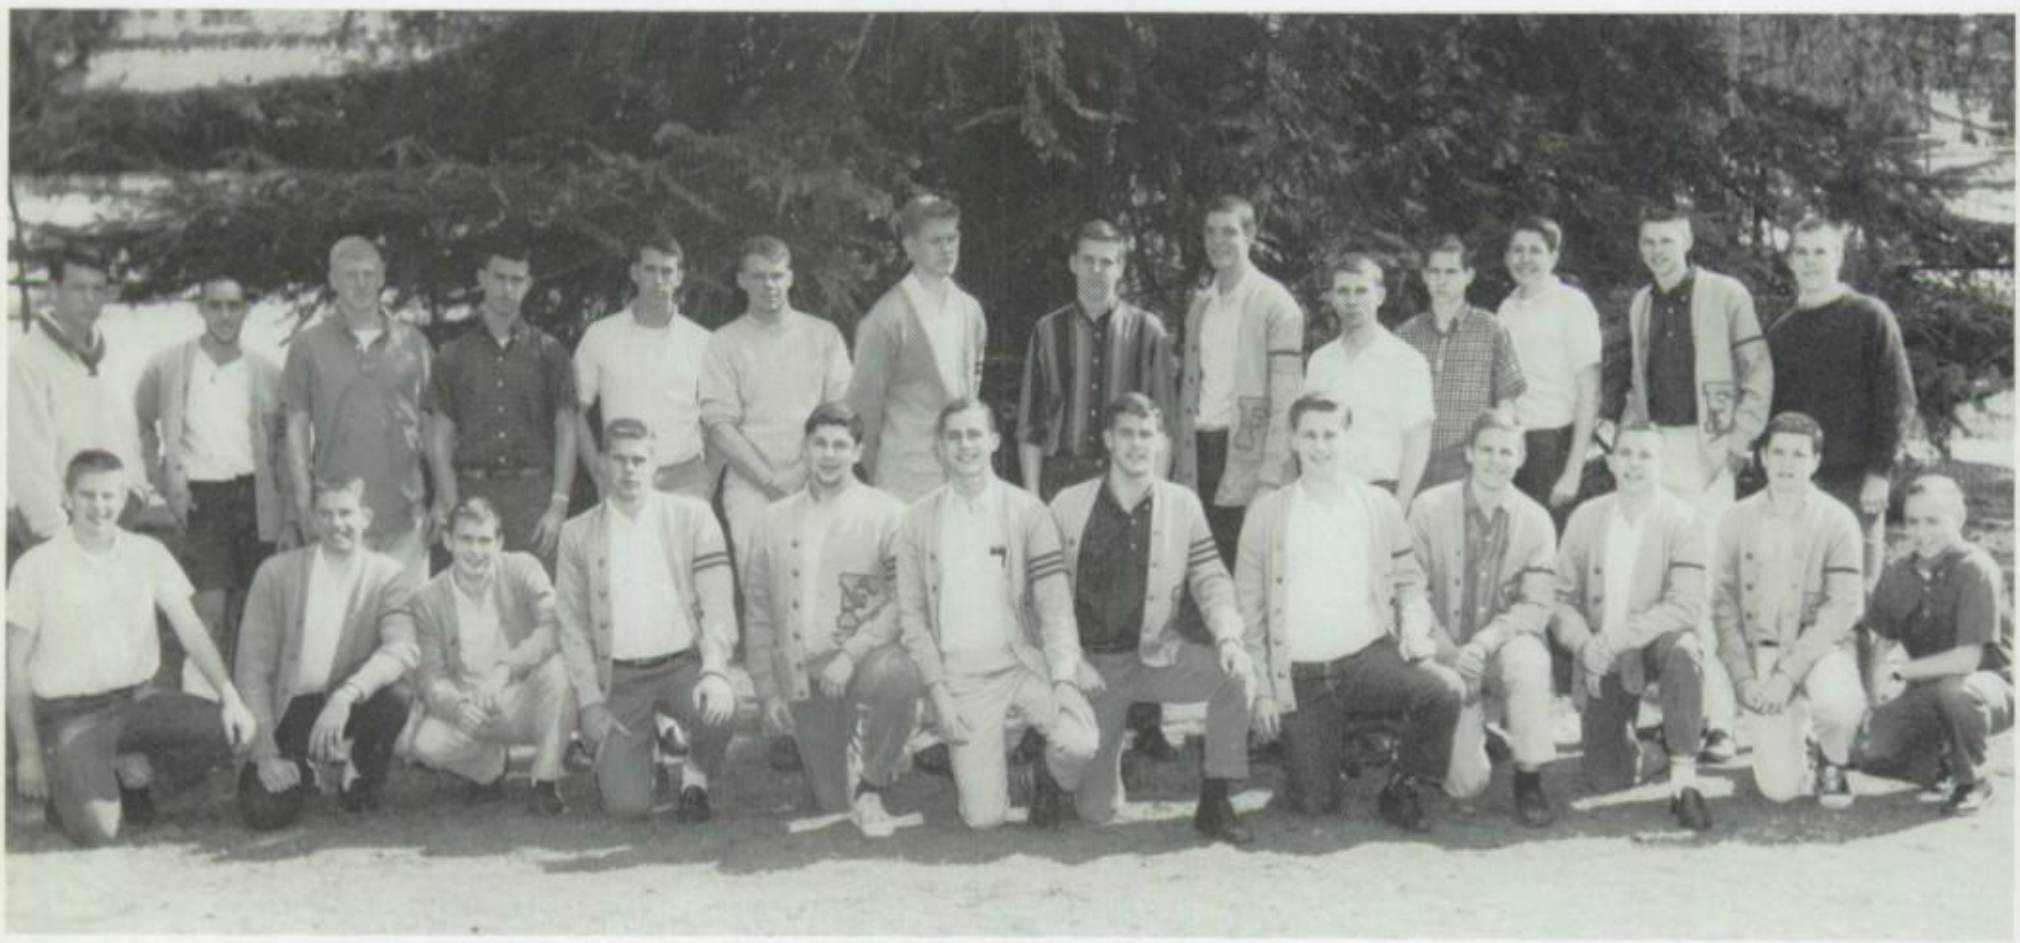
LETTERMAN'S CLUB



FIRST ROW, L to R: Pennala, Keeney, Wheeler, Neptune, Kersten, Modisette, Rhodes, Oberg, J. McEntyre, Dunn, Moore, and Smooke. SECOND ROW: Gray, O'Reilly, Nathason, Shapiro, Hehr, Slocum, Verleger, Dorn, Taylor, Coombs, Hastings, Holder, Fisher, and Payne.

As the **Log** goes to press the main project of the Letterman's Club is still far in the future. The play, scheduled for May 12, will be the highlight of the year for the club. Mr. Denniston will again direct the play for the club, and has chosen Steve Fisher as his student leader and Tom Gray as his assistant. Mr. Bradbury, for the third consecutive year the sponsor, has as his leaders: Tom Gray, President; Vic White, Vice President; and Mike O'Reilly, Secretary. While the main work of the club is the play, the club has made many contributions to the school, such as providing ushers to the basketball and football games, ushers at other school functions, and representatives to meet the various visiting teams.

The Letterman's Club helps prepare for the big games.

SPORTSMANSHIP AWARD

The Sportsmanship Award this year has been presented to Victor Shaw White. This award is one of the highest honors a student of Flintridge can receive. The student chosen must demonstrate sportsmanship and fair play both on and off the athletic field. Victor has contributed to all aspects of school life at Flintridge and is certainly well deserving of the high honor.

ALL-AROUND ATHLETE

The All-Around Athlete each year is selected for active participation in the widest variety of sports possible at Flintridge. This year's all-around athlete, Stephen Crane Manildi, has proven to be a distinct asset to the many sports in which he has participated.

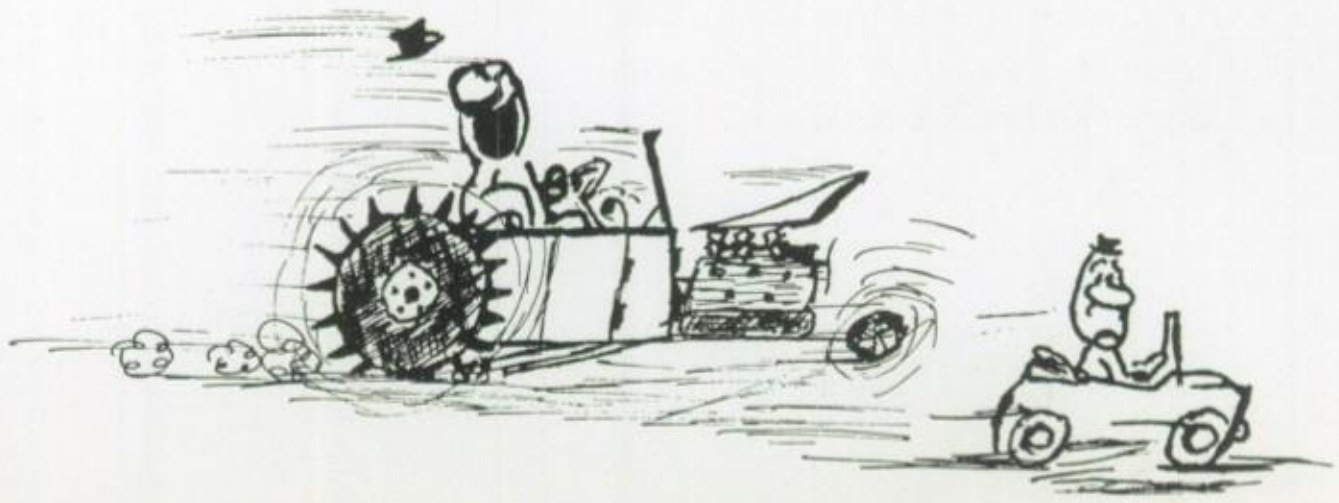
CLASS COMPETITION

Form prevailed in this year's Class Competition. Early in the year the Junior class got the idea that they were going to get taken out to dinner by the Freshmen; and then they finished last in demerits for the first two quarters, and second in the Time Current Events Contest. The Seniors won the demerits for the first two quarters, and grades at the semester. At this point the Sophomores occupy the second position in the race due to their surprising win over the Juniors in the Basketball competition, and two second place finishes in demerits. The Freshmen have totaled only two points all year, both courtesy of the great Junior class. It seems that even the Freshmen cannot equal the performance of the Juniors in the fields of public relations, and behavior.

O'Reilly breaks for six.

Gunn scores against the Juniors.

SENIORS WIN!



CURRICULUM

The curriculum at Flintridge Preparatory School is designed to best maintain the highest scholastic standards while permitting the broadest possible opportunities for intellectual, spiritual, and moral growth. The background gained at Flintridge is valuable in building strong character.

Courses are offered to best prepare the student for college. English is required throughout the four years of high school. This course is designed to give the student a basic knowledge of grammar, punctuation, and writing techniques and to acquaint the student with English and American literature.

Chemistry is required in the Junior year to meet the entrance requirement for a laboratory science of many colleges. Other science courses include biology and physics. Sufficient courses are offered in mathematics, history and foreign languages to challenge any student's intellect and to provide the opportunity to obtain the maximum advantage from high school.

SOPHOMORE DANCE
"Twilight Zone"

This year as a change of policy the first dance of the year was put on by the sophomore class. Entertainment was furnished by Dave Shapiro and Jim Wegge, who gave an exhibition of the stomp, much to the delight of the chaperones. The band was the same one which played for the Prom last year and was excellent. The decorations consisted of two backdrops depicting a scene on a deserted planet. Congratulations to the sophomores for an exceptional dance.

The Moon Is Down.

SENIOR DANCE
"Christmas in Dixie"

The senior class made dance history this year with the spectacular Christmas dance. Lavish satin draperies graced the north and south walls of the gym. The two backdrops transformed the gym into a southern mansion on the Mississippi River.

The band was the Crown City Jazz Band, and it consisted of men from the Kid Ory and Louis Armstrong Bands, including the greatest banjo player of all time, John St. Cyr. This was truly the greatest band that ever played at Prep. The dance was organized by the class president, Dave Shapiro, and V.P. Vic White and, through the work of the senior class, was a huge success. Modesty prohibits us from expounding further.
